

Delivery Programme

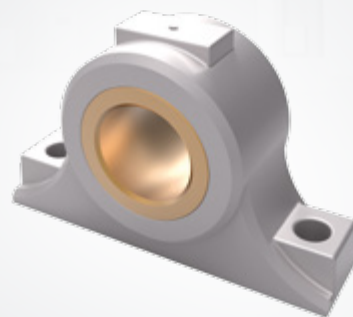

Couplings

Belt Drives

Drive Components

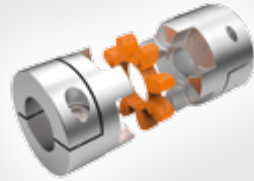

Bearings

Couplings

Habix® couplings
type HWN
type HWT with
taper bushes

Habix®plus couplings
type HPN
type HPK

Hadeflex® couplings
type X
type TX

HRC couplings

Hadeflex® couplings
type F

PEX couplings

Orpex® couplings

Flex couplings

Clamp couplings
DIN 115

Flange couplings
DIN 116

Clamp couplings
steel/stainless steel
one-piece/two-piece design

Mini couplings

GC gear couplings
GC ECO gear couplings

Ferroflex-N couplings

E-Shop

You can order all products from this brochure around the clock online.

Belt Drives

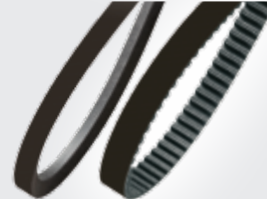

Standard pulleys
& taper bushes

Special pulleys

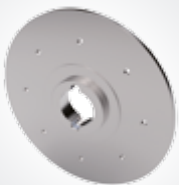

WSO V-belt pulleys

V-belts
Timing belts

Drive Components

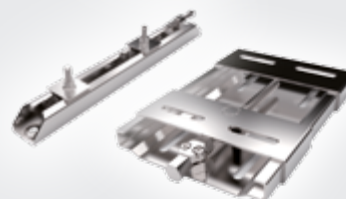

Bolt-on hubs
for taper bushes

Weld-on hubs
for taper bushes

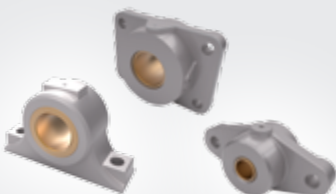

Motor sliders made of
cast iron EN-GJL-200

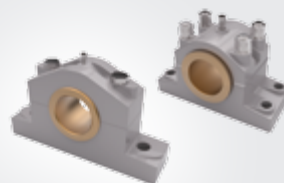

Motor mounts and motor
slides made of steel

Bearings

Eye type bearings DIN 504
Flange bearings DIN 502
Flange bearings DIN 503
– with or without bronze bush

Cap bearings DIN 505 L
Cap bearings DIN 506
– with bronze shell
